Applications and issue of Units

Applications may be accepted or rejected at the discretion of the Issuer. Units will be issued within 5 Business Days upon receipt of application monies from an Investor. The Unit's economic exposure to the Reference Asset will begin on the Commencement Date. If a Unit is issued prior to the Commencement Date it will have no economic exposure until the Commencement Date.

The Units will only be issued at the discretion of the Issuer, and applications may be accepted or rejected at the discretion of the Issuer. Without limiting its discretion, the Issuer may choose not to proceed with the issue of the Units for a Series and terminate the product for those Units already issued for any reason whatsoever, including (without limitation) if there is a significant change in the Issuer's cost of hedging between the date of this IM and the Commencement Date. Where the Issuer has not received the Prepaid Interest and Fees (if any) in respect of a Unit(s) from the Investor by the Application Payment Date, the Issuer will cancel the Units relating to the unpaid amounts and will arrange for the Investors name to be removed from the register of Unitholders.

If a decision is made for any reason not to issue, or not to proceed with the issue of the Units, the Issuer will return the Prepaid Interest, Fees (if any) to applicants (without interest) within 5 Business Days of the scheduled Commencement Date and any Units already issued will be terminated.
